Dear Sir:

Subject: Contract HF-EQ-6081

The attached letter of March 11 from JLB regarding patents rights and the filing of patent applications should serve to fulfill our obligations with you at the completion of this contract. In view of this, we trust it will also serve to release the \$5,000 at present being withheld by you.

We are well aware that when the final statement is made there will be an additional refund to you. However, in order to clean up the contract to date, will you approve this payment of \$5,000 to us.

Dear Sir:

Subject: Contract HF-EQ-6081

In accordance with the Patent Rights Clause, Article 27, of the above-identified contract, we have reviewed the work done by our engineers under this purchase order and by all subcontractors doing research and development thereunder. There have been no subject inventions to date.

Further, we know of no patent applications which will be filed under this contract, nor do we intend to file any.

JLB:aku
